

Melissa at the South Molton nursery is going to set up a Children's clothes swap from donations.

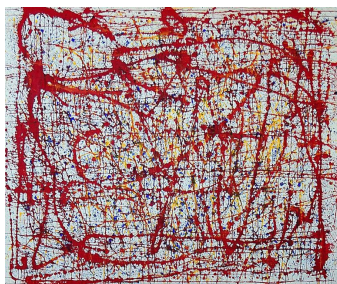

So if your child out grows clothing, single items or bundles, then you can donate it to the nursery and we will advertise and then give to another family who needs clothes of that size.

If anyone has any clothes they would like to donate to get this started then that would be fab.

Hopefully this way we can all do something to support each other with something positive through the difficult past year it has been.

Colour of the Moment

Our colour of the moment is Red; we are doing lots of activities throughout the nursery. We have even been recreating Jackson Pollock's art work!

COVID UPDATE

1. If a staff member or child in your child's group has a positive test result you will have to self-isolate for 10 days from the onset of symptoms. During this time, fees will be chargeable as staff will be being paid.
2. If anyone that lives in the same household as the child attending shows any symptoms of coronavirus, the child, along with everyone in your household must self-isolate for 10 days.
3. Please DO NOT bring your child to Kiddywinks if the above is applicable.
4. If we have any positive test results within the setting, either a child or staff member, you will be notified via email, at the earliest opportunity
5. We are following all government guidelines in relation to the coronavirus.

World book day 4th March

Julia Donaldson is our inspiration this month—please dress up as anything from any of her books!

Author of the moment

Our under 3's are looking at Fiona Watt's 'that's not my books'

And our over 3's have been looking at Eric Carle's books. One of our favourites is The Hungry Caterpillar.

We feel very strongly and passionately that our children should be made to feel as special as possible and that this lockdown should have as little impact on them as possible.

Because of this we would like to celebrate all of your children's birthdays by holding a party for them if they attend on their birthday or the day before or the day after.

If you would like to bring in anything to help towards creating a party for your child then please do this could be balloons, pass the parcel, games, party bags to go home or food. You are more than welcome. We will clean everything before use. If you would like to bring in any food or a cake this must be sealed, and shop bought.

Your children may come home with invitations to another child's party. We will be creating these within the settings to enable the children to be part of the party planning and to have something to look forward to and be excited about. These invitations will go to the children that will be in attendance on the day of the party.
